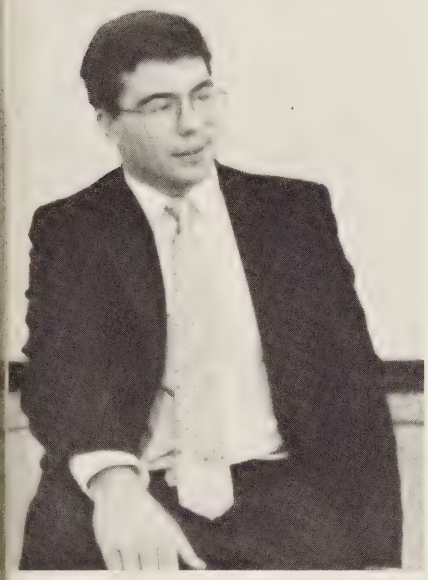
"Success Is In Your Hands."



The month of November was marked by the passing of yet another of Courtland's academic assemblies. This year it was our pleasure to have Mr. Richard Evonitz, a 1985 graduate, as the guest speaker. Richard imparted to our student body the concept that "success is in your hands." The assembly was also the srage for the presentation of the student of the month for October. Alison Peck was named this year's student of the month for October; congrat's Alison. Also the honor code came to life as Jeff Saylor was presented fifty dollars for his winning honor code poster. Jeff's poster was reproduced and a copy was placed in each homeroom as a reminder to all students no matter how smart to be honest in all endeavors they undertake in school.

Cougars Crush Commonwealth

On the road to victory, the Cougars first avenged the loss to Salem with a 21-0 victory. The Cougars played their first AAA playoff game at the Den. Next, the Cougars shattered the Hilltoppers of E.C. Glass in a 14-0 shutout. The team wallowed in the mud and held the opponents to only 75 passing yards and 116 yards overall. In the state semi-final game, Courtland edged by the Phoebus Phantoms, 22-21. In overtime, both teams failed to score on their first possessions, but the Cougars succeeded in blocking a Phoebus extra point the second time around to secure the win. In the state final, the Mighty Cougars dominated the George Marshall Statesmen. Our offense rushed for 247 yards, and the defense held the Statesmen to only 55 yards on the ground. The 21-7 victory led to a new stat—we are the first school to win both AA and AAA state championships!
